

## Cub Scout Day Camp Information

The district is asking for copies of all the boy's personal health insurance cards (front and back)!!!

Adults need to fill out a health form and bring it with them. We need as many adults as we can get. Even if it just one day. Each den needs at least one adult there everyday. Adults can ride bus with the boy's for no extra charge.

To be safe, I would print out another health form and send it with your boy.

### Day Camp- June 20-24
